

Juniors in Service
2018-2019

Calling all Juniors

Build leadership skills through community service with the Junior Auxiliary of Slidell.

The Junior Auxiliary of Slidell offers the *Juniors in Service* program. **This program is open to all students who will be entering their Junior year of high school in the fall of 2018.** The program will build leadership skills while teaching community stewardship through service.

Each *Junior in Service* must complete a minimum of 12 hours of service during the 2018-2019 school year. Many opportunities will be available to the *Juniors* including Habitat for Humanity, Special Olympics at Stennis Space Center and working with children at Rainbow Childcare.

Aside from service opportunities, *Juniors* will participate in a teambuilding activity and explore needs in the community they can fill by applying their time and talent. They will also develop a mission statement for their class of 2018 -2019.

Each *Junior* must obtain a sponsor. The sponsor may be a parent(s), business, or community group. Each sponsor must contribute a sponsor fee of \$40 that will be used to defray the cost of the *Juniors in Service* project and other Junior Auxiliary projects.

Juniors will be given a t-shirt to wear with the *Juniors in Service* slogan when they are

involved in service activities. A Junior Auxiliary member will act as a mentor and will contact their *Junior* regularly with information about upcoming events.

Juniors will be recognized at the end of the year graduation ceremony. The *Juniors in Service* program is open to the first 50 students who submit a completed application and sponsor form, along with the \$40 payment. Packets are available from each school counselor. **The deadline for application is September 29, 2018.**

The orientation meeting is mandatory. It will be held on September 29, 2018, from 2-4 pm at Park Provence Fitness Room, 1925 Possum Hollow Rd., Slidell, LA 70458

Along with numerous volunteer opportunities, a Habitat for Humanity build and participation with Special Olympics will be offered. Participation in at least one of these activities is highly encouraged. Both are extremely important activities that *Juniors* should experience. Special Olympics is usually held in March at Stennis Space Center, Mississippi.

If you have additional questions or need more information, please email Sharon Cooke at sac1161@yahoo.com.

Let's make this a great year!

Juniors in Service
2018-2019
