

JUNIOR AUXILIARY OF SLIDELL
Post Office Box 1486
Slidell, Louisiana 70459
www.jaslidell.org
2021-2022

Junior Auxiliary of Slidell is a nonprofit organization with a 50-year history of serving the Slidell area with a special emphasis on meeting the needs of local children and young adults. Recognizing education as a means of improving the quality of life, the granting of the Junior Auxiliary of Slidell (JAS) scholarships is one of the top priorities of JAS. The awarding of scholarships is based upon the applicant's qualifications. They must plan on attending a 4 year university. Recipients may attend the college or university of their choice. As a service organization, we especially encourage those students who have already demonstrated an active involvement in community service through school, church, or other service-oriented groups and have demonstrated academic achievement.

INSTRUCTIONS

(1) Application must be typed.

**(2) Application must be submitted to: jascollegeboundapplicants@gmail.com
Must be received by April 10, 2022. Late applications will not be considered!**

(3) Two (2) complete scholarship recommendation letters must be submitted for each applicant and emailed to jascollegeboundapplicants@gmail.com. One (1) of the recommendation letters must be completed by an educator and one (1) of the recommendation letters must be from an individual (non-relative) who has known the applicant long enough to comment on his or her character, abilities, motivation, and background of the applicant.

(4) A certified high school transcript from the ninth grade through the due date of this application, including SAT or ACT scores, should be scanned and emailed with your completed application.

(5) A notification letter will be sent on April 16, 2022 to all applicants indicating if you were selected to receive a scholarship amount or not.
